The vision of God's conveniences the prophet of his own unworthiness to rely on God promise.

**GNIDOVČEVA NEDELJA:** – Današnja nedelja je posvečena spominu božjega služabnika, škofa Janeza Frančiška Gnidovca. Janez F. Gnidovec je bil prvi direktor (ravnatelj) prve slovenske gimnazije v Šentvidu nad Ljubljano. Po nekaj letih te službe je vtopil v Misijonsko družbo. 29. oktobra 1924 je bil imenovan za škofa v Skopju. To težko in odgovorno nalogo je sprejel in jo zvesto izpolnjeval. Bil je duhovnik in škof po Jezusovem Srcu, škof božjega usmiljenja. Njegovo življenje in delo sta odlikovali dobrota in ljubezen. Mnogim revnim in preizkušanim je pomagal. Umrli je 3. februarja 1939 v Ljubljani. – Leta 2010 so bili Gnidovčevi zemeljski ostanki slovesno preneseni s pokopališča v cerkev Srca Jezusovega v Ljubljani. Tako je vernim omogočen lažji obisk njegovega groba in molitev. Cerkev je kraj in prostor češčenja Boga.

Janez F. Gnidovec was born on September 29, 1873 in Veliki Lipovec (in the parish of Ajdovec, west of Novo mesto), and was baptized the next day in the parish church. - The high school Janez F. Gnidovec attended in Novo mesto. It was at this time that he began to visit the Blessed Sacrament daily. - On June 23, 1896 he was ordained to the priesthood. Soon after he was assigned to a parish as an assistant where he worked zealously. - In 1905, Gnidovec became a teacher in the diocesan-led classical college and was rector of the institution. - He was consecrated bishop of Skopje on November 30, 1924. - He died on February 3, 1939, which was a first Friday. When news of his death reached his diocese, the priests and people were deeply saddened. Ordinary people, even Muslims said: "A saint has died."

**Nedelja, 7. februar:** – Evangelist pove, da je Jezus šel, kot po navadi, v shodnico in tam učil. Jezus pa je učil tudi drugod. Danes smo slišali, da je učil iz čolna ljudi, ki so bili zbrani na obali genezareškega jezera. Ko je končal je rekel učencem, naj kar tam pri kraju vržejo mrežo na lov. Na veliko presenečenje, nekateri izmed učencev so bili poklicni ribiči, so zajeli veliko rib. Peter, ki je dvomil v uspeh, a je vseeno vrgel mreže, se je zavedel svojega nezaupanja do Jezusa. Skesan je rekel Jezusu: »Pojdi od mene, Gospod, ker sem grešen človek!«

Peter je s priznanjem pokazal svojo iskrenost in Jezus, ki vidi v srce. Jezus je Petra in ostale povabil k sodelovanju, k delu za Božje kraljestvo. Jezus tudi nas vabi k iskrenosti do sebe in do njega ter tudi k sodelovanju, k delu za rast božjega kraljestva.

**POSEBNA NABIRKA – pomoč beguncem:** – Danes imamo posebno, izredno nabirko v pomoč beguncem. Naš nadškof spodbuja k velikodušnosti. Pomoč beguncem in brezdomcem spada med telesna dela usmiljenja. Kuverte za to nabirko uporabite tiste na mizi. Na kuverto napišite samo številko vase nedeljske kuverte!

**PEPELNICA:** – V sredo začnemo postni čas, pripravo na obhajanje velikonočnih praznikov. Lepo vabljeni k sveti maši, da bomo z obredom pepelenja in skupno molitvijo v duhu vere začeli sveti postni čas.

Ash Wednesday is one of the most popular and important holy days in the liturgical calendar. Ash Wednesday opens Lent, a season of fasting and prayer. Ash Wednesday takes place 46 days before Easter Sunday. Ash Wednesday comes from the ancient Jewish tradition of penance and fasting... The ashes symbolize the dust from which God made us. As the priest applies the ashes to a person's forehead, he speaks the words: "Remember that you are dust, and to dust you shall return" or "Repent and believe in the Gospel." The ashes are made from blessed palm branches, taken from the previous year's palm Sunday Mass. It is important to remember that Ash Wednesday is a day of penitential prayer and fasting. Ash Wednesday marks the beginning of the Season of Lent. It is a season of penance, reflection, and fasting which prepares us for Christ's Resurrection on Easter Sunday, through which we attain redemption.
