

1. berilo: Božji Duh nam daje življenje.

Odpev: **PRI GOSPODU JE OBILJE REŠITVE.**

2. berilo: Duh njega, ki je obudil od mrtvih Jezusa, prebiva v nas.

Slava in hvala, tebi, Kristus. Jaz sem vstajenje in življenje, govori Gospod; kdor vame veruje, vekomaj ne bo umrl. **Slava in hvala, tebi, Kristus.**

Evangelij: Jezus je vstajenje in življenje.

The Lord God promises to open his people's graves and give them his life/giving spirit.

Paul the apostle explains that the Spirit which raised Jesus from the dead will raise our mortal bodies too.

Jesus raises his friend Lazarus from the dead and challenges our belief in his resurrection.

DANES – POSEBNA NABIRKA: – Cerkev nas vabi naj danes darujemo svojo postno odpoved v pomoč revnim in preizkušanim v svetu.

Thank you for your generosity! Each donation is used to help our sisters and brothers all over the world — from Paraguay to Syria, to Indonesia and beyond! We conclude this Share Lent with the words of Pope Francis, offered on the occasion of the Jubilee of Mercy: "Mercy is the force that reawakens us to new life and instils in us the courage to look to the future with hope." Thank you for helping us create a future filled with hope!

Nedelja, 2. april: – Ob čudežih ozdravljenja, pomnožitve kruha, obuditve mladeniča iz Naima so se čudili in slavili Boga, ki se je usmilil svojega ljudstva. Toda obuditev Lazarja, ki je bil že pokopan je osupnilo navzoče.

Marta je v svojem pogovoru ob srečanju z Jezusom izpovedala zaupanje v njegovo moč . Verovala je, da more Jezus uslišati njeno molitev, njeno prošnjo: “Gospod, ko bi bil ti tukaj...”

Jezus je rekel Marti, naj odpre grob. Poslušala ga je in naredila korak h grobu, korak, ki je bil gotovo težak.

Marta je verovala, da je Jezus življenje in vstajenje. S čudežem pa je to vero potrdil. Žalost Lazarjevih sester in prijateljev se je spremenila v veselje ter v čudenje in začudenje. – V postmen času nas Jezus vabi, naj naredimo korak v veri, korak k viru milosti. Če bomo prišli k Jezusu, bo on odmaknil kamen in nas poživil s svojo milostjo.

The account of the miracle is preceded by Jesus' meeting with Mary and by his meeting with death. Death, which Mary lamented, and Jesus wept over, dominates the scene until it is defeated. Martha, who is now a believer, informs her sister quietly that the Master is there and is calling her. Mary responds immediately. She hurries to meet Jesus, while he was still on the way. In his presence, she repeats what Martha had said. She threw herself on the ground before him. Overcome with grief, she has not yet come to believe. Jesus is moved by her sorrow and the death of her brother. He sighs deeply, in great distress. He asks them where they have put him, and weeps in public when he sees his friend's tomb. His tears are proof of his love for the dead man (“See how much he loved him!”) and they provide a pretext for the veiled criticism of the bystanders, criticism which in fact is due to their failure to understand – he opened the eyes of the blind man, surely he could have healed this man who was dying.

URA MOLITVE: – Danes ob 3 uri popoldan ura molitve pred Najsvetejšim. Pridite, da bomo s skupno molitvijo češčenjem Jezusa v Najsvetejšem prosili Božje pomoči, varstva in blagoslova, da bi se v duhu vere pripravili na obhajanje velikonočnih praznikov.

CVETNA NEDELJA: – Prihodnja nedelja cvetna in začetek velikega tedna, ko pbhajamo velika dela za naše odrešenje. Prihodnjo nedeljo blagoslovljamo butarice in palmove ter oljčne vejice v spomin na Jezusov slovesen prihod v Jeruzalem.

ZAHVALA: – *Iskrena zahvala vsem, ki ste včeraj pomagali delati rezance!*

• V spomin na rajnega Martina Kolenko darovala druž. J. Horvat (St. Leon) \$100.00 za našo cerkev. Bog povrni za dar in spomin.

Osmrtnica: – V ponedeljek, 27. marca 2017, je po hudi bolezni v 65 letu življenja v Domu sv. Jožefa v Celju umrl duhovnik – lazarist g. Andrej

Urbancil CM, pokopan je bil 29. Marca v Št. Ilju (Mislinja), v rojstni župniji. Gospod Urbancl je bil zadnjih 17 let bolnišnični duhpovnik v Celju in Vojniku ter zaporniški kurat v celju. – *Naj počiva v miru!*
