

Podoba te modrosti je olje, o katerem smo slišali v današnjem evangeliju. Svetilka je lahko ne vem kako lepa in izredna, svoj namen pa doseže le, če je v njej olje, da izpolni svoj namen : postane vir luči.

Tiste device, ki so imeli tudi olje, so ravnale modro in so pozdravile ženina ter šle na svatbo. – Ženin je Kristus Gospod. Kristus nas uči živeti po Božji volji. Uči nas, naj bomo, odgovorni, modri, pripravljeni, da ga prepoznavamo in sprejemamo.

Pomanjkanje modrosti vodi v temo. Device, ki so zamudile prihod ženina, so ostale zunaj v temi. Trudmo se živeti v prijateljskem odnosu z Bogom. Uporabljajmo svoje sposobnosti in zmožnosti, da bo

v naših srcih Božja milost ter bomo hodili skozi življenje s Kristusom in z njim vstopili v večno slavo.

Jesus begins the parable with the words: "The kingdom of heaven will be like this..." This means that the parable of the ten virgins is about the future coming of the Realm for which we must prepare starting now. In order to shed light on this dimension of the Realm, Jesus uses the well-known custom of inviting some young girls of the village to accompany the bridegroom to the wedding feast. They had to accompany the bridegroom with lighted lamps. But the lamps were small and the oil they contained was sufficient only for a limited time. That is why it was prudent for each to take with her a little oil in reserve since the journey with the bridegroom could take longer than the limited time the oil in the lamps would last. Suddenly a cry goes up! "The bridegroom is coming!" It is the signal they were all awaiting. It is at this critical moment that a person's values are revealed. The things that happen to us suddenly, independent of our will, show whether we are far-sighted or foolish.

GODOVI: – Poned.: Posvetitev lateranske bazilike v Rimu; torek: sv. Leon Veliki, papež; sreda: sv. Martin, škof; četrtek: sv. Jozafat, škof in mučenec; petek: sv. Stanislav Kostka; sobota: sv. Nikaj Tavelić, mučenec.

V minulih letih smo imeli na soboto blizu godu sv. Martina tradicionalno martinovanje in koline. Letos zaradi izrednih ramer ne bo družabnega večera. Hvaležen spomin na dogodke minulih let nas naj spomni, da je bilo martinovanje velika materialna pomoč župniji ter nas naj navaja k velikodušnosti in delom dobrote za župnijo.
