

1. berilo: Žejno ljudstvo v puščavi prosi vode.

Odpev: **NE ZAKRKNITE DANES SVOJIH SRC.**

2. berilo: Božja ljubezen izlita v naša srca po Svetem Duhu.

Slava in hvala, tebi, Kristus. Gospod, ti si resnično odrešenik sveta; daj nam žive vode, da ne bomo žejni. **Slava in hvala, tebi, Kristus.**

Evangelij: Izvor vode, ki teče v večno življenje.

The Israelites, dying of thirst in the desert, begin to doubt God's love for them. At God's command, Moses strikes the rock with his staff. Out gushes water.

God's love is overflowing: that is why Christ came to save us, and not because we deserve it. Trusting in God's love, we face the future with hope.

Jesus stops by a well, where he meets a woman coming to draw water. She gives him a drink, he, in turn, offers her the living water of God's Spirit.

Sv. Jožef, 19. marec: – V četrtek bomo obhajali praznik sv. Jožefa, moža Device Marije, Jezusovega varuha ali krušnega očeta, zavetnika Cerkve, priprošnjika za srečno zadnjo uro. Sv. Jožef je pravičen in zvest božji služabnik, zgled delavcem in kras, zgled krščanskega življenja. S češčenjem sv. Jožefa se Bogu zhvaljujemo za milosti, ki jih po njegovi priprošnji prejemo.

Nedelja, 15. marec: – Današnji evangelij nam predstavi Jezusa v pogovoru z ženo, Samarijanko, pri vodnjaku. Jezus jo preseneti. Spregovoril je z njo in še bolj, ko jo je prosil, naj mu da piti vode, ki jo je zajela.

Ko ji Jezus pove, da ne živi po Božji volji, je začutila skesanost in željo po spremeni. Pokesala se je, prejela odpuščanje in zaživela novo življenje. O novem spoznanju je pripovedovala drugim in mnogi iz tega kraja so prišli k Jezusu, poslušali njegov nauk ter sprejeli vero vanj.

Cerkev nas v postnem času vabi, naj prisluhnemo Jezusu in iskreno priznamo svojo grešnost, da bomo v zakramentu svete spovedi prejeli milost odpuščanja in bomo kot na novo zaživeli v prijateljstvu z Bogom in sočlovekom. – Na začetku javnega delovanja je Jezus govoril: “Spreobrnite se, kajti približalo se je nebeško kraljestvo.”

Jesus meets the woman at the well, a traditional place for meetings and conversations. He starts off because He is thirsty. He does this in such a way that the woman feels needed and she serves Him. Jesus makes Himself needy in her regard. From His question, he makes it possible for the woman give Him something to drink. Jesus awakens in her the desire to help and to serve. The conversation between Jesus and the woman has two levels. The superficial level, in the material sense of water that quenches someone's thirst. The deeper level, in the symbolic sense of water as the image of the new life brought by Jesus... In John's Gospel, women feature prominently seven times, which are decisive for the spreading of the Good News. To women are given functions and missions. Let Your Spirit, O Lord, illumine all that we do and give us the strength to carry out what Your Word has made us see. Let us, like Mary, Your Mother, not only listen to the Word but also put it into practice.

POSEBNA NABIRKA – Development and Peace: – V nedeljo 29 marca bomo imeli posebno postno nabirko, ki naj bo sad postne odpovedi. Dobrodelna organizacija Development and Peace pomaga domorodcem na področju Amazonije, da bi bili gospodarji na svoji zemlji. Ker so revni, jih bogataši in podjetniki izkoriščajo

The Mura people of Brazil's Amazonas claim to their ancestral lands. To their frustration rights have been not respected. Development and Peace's partner, the Indigenous Missionary Council (CIMI), helps them advocate for, defend and publicize their cause more effectively.

“Lord Jesus, I hear the words of the compassionate Father directed to me: *You were lost and have been found.* Help me now to celebrate my return to your love in the sacrament of confession, and strengthen my love for the reconciliation you offer through your loving mercy.” J. E. R.

NB!: The Catholic bishops of Quebec want to contribute to this common public-health effort and have decided: Saturday evening/Sunday masses and Liturgy of the Word celebrations on Sundays are canceled. We invite

the faithful to remain united with their brothers and sisters within the Universal Church:

- By viewing a televised mass;
- By celebrating Sunday-at-home, setting aside time to read the Word of God and to pray together.

We pray for all those affected by this virus, for healthcare workers who devote themselves generously to serving those in need.

Nevarnost okužbe z virusom **COVID-19** je vedno bolj resna zato so katoliški škofje province Quebec so se odločili za naslednje:

Do nadaljnega so odpovedane maše. Vernim pa priporočajo, da bi spremljali mašo po televiziji, še posebej na nedeljo in naj bi skupno brali sveto pismo ter molili.
