*Jesus arrives in the boat. The people join Him. Jairus, the head of the synagogue, asks help for his daughter, who is dying... Healing through faith. The woman became aware that she had been discovered. It was a difficult and dangerous moment for her, because according to the belief of the time, an impure person like herself got in among the people and contaminated everyone who touched her. But the woman had the courage. "Frightened and trembling" fell at Jesus' feet and told Him the whole truth. Jesus has the last word: "My daughter, your faith has restored you to health, go in peace and be free of your complaint." --- Some people arrived from the house of Jairus to inform him that his daughter had died. Jesus says to Jairus, "Do not be afraid, only have faith!" ... Jesus enters into the room where the child is, alone, and with the three disciples and the parents of the child and takes the child by the hand and says: "Get up!"*
