

regard, I consider Saint Joseph the special patron of all those forced to leave their native lands because of war, hatred, persecution and poverty.

Nedelja, 29. avgust: – Jezus govori o pomenu zapovedi in farizejem jasno pove, da so Božjo zapoved opustili in se raje držali človeškega izročila, svojevoljne razlage zapovedi. Bog je dal zapovedi kot potrditev dogovora in obljube, da bo varoval ljudstvo, če se bo držalo dogovora, če bodo izpolnjevali zapovedi

Umivanje je simbol očiščevanja. V času pandemije nam priporočajo umivanje rok zato, da bi se obvarovali okužbe, da se izognemo preteči nevarnosti. Verski voditelji so z umivanjem pokazali le na zunanost, pravi pomen, ki je očistiti srce, jih ni zanimal.

Prosimo Jezusa, naj nam pomaga s svojo milostjo in z besedo, da bomo očistili srce, da ne bodo iz njega prihajale »hodobne misli« in dejanja. Pregovor pravi; »Česar polno je srce, usta rada govore,« Naj bo v našem srcu dobrota in ljubezen, da se bo širila z našimi besedami in dejanji ljubezen in bomo slavili Boga s čistim srcem.

The Gospel today speaks about the religious traditions of that time and of the Pharisees who taught this tradition to the people, for example, to eat without washing their hands, as they said, "to eat with impure hands." Many of these traditions were separated from life and had lost their significance. But even if this was the state of things, these traditions were kept and taught, either because of fear or because of superstition. The Gospel presents some instructions of Jesus concerning these traditions... The observance of the Law was a very serious matter for the people of that time. They thought that an impure person could not receive the blessings promised by God to Abraham.
