

Cerkveno leto je razdeljeno in s posebnimi časi in usmerjeno k dvema velikima in pomembnima praznikoma. Advent nas vodi na pot priprave na obhajanje Jezusovega rojstva. Postni čas, ki se prične na pepelnično sredo, traja 40 dni, nas vodi na pot priprave na obhajanje Jezusovega odrešilnega dela: trpljenja, smrti in vstajenja. Na pepelnično sredo smo povabljeni k pokori in spreobrnjenju, k molitvi in dobrim delom, da bi tako pokazali hvaležno ljubezen do Boga za delo odrešenja.

Na pepelnično sredo ste lepo povabljeni k sveti maši, da bomo s skupno molitvijo, z najsvetejšo daritvijo začeli postni čas. Cerkev nas z obredom pepelenja opomni in povabi k spreobrnjenju in veri, k odpovedi in dobrim delom, da bi tako odprli svoja srca božji milosti in bi sebi in svojim bližnjim pomagali na poti k Jezusu.

Ash Wednesday is one of the most popular and important holy days in the liturgical calendar. Ash Wednesday opens Lent, a season of fasting and prayer. Ash Wednesday takes place 46 days before Easter Sunday. Ash Wednesday comes from the ancient Jewish tradition of penance and fasting... The ashes symbolize the dust from which God made us. As the priest applies the ashes to a person's forehead, he speaks the words: "Remember that you are dust, and to dust you shall return" or "Repent and believe in the Gospel." The ashes are made from blessed palm branches, taken from the previous year's Palm Sunday. It is important to remember that Ash Wednesday is a day of penitential prayer and fasting. Ash Wednesday marks the beginning of the Season of Lent. It is a season of penance, reflection, and fasting which prepares us for Christ's Resurrection on Easter Sunday, through which we attain redemption.

Nedelja, 27. februar: – Jezus je ozdravljaj tudi slepe in slabovidne. Slepota je velika ovira za potek življenja in dela. Kako more slepi voditi slepega? Jezus pove, da sta oba v nevanosti. Jezus uporabi telesno slepoto za razlago duhovne ali verske slepote. Kdor ne vidi, kdor prav ne razume, kako pomembno je poznati in izpolnjevati vse zapovedi, ne hodi po pravi poti in še druge vodi v nevanost ali pogubo.

Da bomo živeli po Božji volji in jo izpolnjevali, se držimo zapovedi in jih izpolnjujmo. Naše besede pa naj bodo iskrene, lepe in spodbudne!

Today's Gospel invites us to a simple examination of our life under a couple of headings which are proposed in colorful style. How do I see Christ as my teacher? How do I check how operative he is in my life as 'my teacher'? We are all given to noting the defects of others more readily than my own. How do I guard against this tendency?... If you go about with a plank in your eye, surely it is difficult not to see splinters everywhere! As I review my conversations, I notice

where I am critical. I listen again and ask forgiveness as I realize my own weakness.
