

**OKTOBER – KRALJICA ROŽNEGA VENCA:** – Mesec oktober je posvečen kraljici rožnega venca. Cerkev nas v tem mesecu vabi k redni molitvi rožnega venca. Pesem nam govori: *»Je človek star že ali mlad, naj rožni venec moli rad... Če rožni ven'c boš molil rad, dobil boš milost vsakikrat. Marija te ljubila bo, sprosila sveto ti nebo.«* Milost nam je za zveličanje nujno potrebna,

nas uči katekizem.

Ko molimo rožni venec, ob vsaki desetki premišljujemo skrivnosti Jezusovega in Marijinega življenja in skrivnosti Božje ljubezni. Te skrivnosti nas spodbujajo k posnemanju ljubezni Jezusa in Marije. Skrivnosti rožnega venca govorijo o Božji ljubezni, ki se sklanja k nam in nam pomaga na poti vere, na poti našega življenja, v naši hoji za Jezusom.

**Nedelja, 2. oktober:** – Kaj je vera? Vera je Božji dar, je krepost, s katero sprejemamo resnico o Bogu in vse, kar nam je Bog razodel, kajti Bog je resnica. Tisti, ki veruje, si prizadeva spoznavati in izvrševati Božjo voljo.

Evangelij nas spodbuja, da kot učeci zaupno prosimo: *»Gospod, pomnoži nam vero.«* Gorčično zrno je majhno, a ima v sebi moč, da zraste v drevo, ki daje zavetje pticam neba. Za trdno, vztrajno in zaupno vero moramo moliti in prositi. Apostol Pavel tudi nam govori: opominjam vas, da razplamtite Božjo milost, dar vere, ki je v vas, da bi se iz naših src izruvalo vse, kar ni v skladu z Božjo voljo in bi v nas zavladala ljubeča Božja dobrota in usmiljenje.

The apostles say to the Lord: "Increase our faith." This is reminiscent of an earlier request by a disciple: "Lord, teach us to pray..." By now the disciples or apostles have already learned from Jesus what really mattered. These are requests that are born from a close encounter with the Lord, from the words they have heard him say and the deeds that they have seen him do. Earlier in his ministry, Jesus had praised the centurion who came to him to ask for the healing of his servant: "I tell you, not even in Israel have I found such faith". They have also heard him say to the woman afflicted with hemorrhage and who was eventually healed: "Daughter, your faith has saved

you; go in peace". Not long after that he also assured Jairus whose daughter had died: "Do not be afraid; just have faith and she will be saved" and the girl was raised to life. – Jesus shifts the point of view: in being disciples, the listeners take the attitude of the servant: their obedience to God is something expected of them as an obligation. If service is sincere, there is no room for entitlement, for selfishness and pride... Do I seek entitlement and reward in the service that I give for the Church and for God. Be generous!

**POSEBNA NABIRKA – za potrebe Cerkve v Kanadi:** – Ta nabirka je bila 25. septembra, takrat je bil maraton in nekateri niste mogli priti v cerkev. Svoj dar te nabirka, če še niste, oddajte prihodnjo nedeljo.

**Zahvalna nedelja:** – Prihodnja nedelja se obhaja kot zahvalna nedelja, ponedeljek nato je civilni praznik - Thanksgiving Day. Naj bo prihodnja nedelja in praznični dan priložnost za iskreno zahvalo Bogu, ker od njega prihaja vsak dober dar. – Na zahvalno nedeljo se bomo Bogu zahvalili za varstvo in blagoslov ter za dobrotnike z daritvijo svete maše ob 11 uri na cerkveni pristavi, farmi. Pregovor pravi: Zahvala je nova prošnja!

**ZAHVALA** – Ob spominu na rajna Matija in Rozino Novak so Novakovi darovali za cerkev \$100.00. Bog povrni.
