

misijone. Papež Frančišek govori: »Vsak katoličan je pšoklican biti misijonar in priča Kristusa. Cerkev, skupnost Kristusovih učencev nima drugega poslanstva, kot da prinese evangelij do skrajnih meja sveta in tako pričuje za Kristusa. Evangelizacija je prava identiteta Cerkve.« Ker samo nekateri gredo v svet oznanjat evangelij, smo drugi, ki ne gremo, dolžni izpolnjevati svoje poslanstvo: da živimo iskreno po veri v Jezusa: in da po svojih močeh in sposobnostih pomagamo tistim, ki v polnosti odgovorijo na božje vabilo »biti priča Kristusa«. Misijonarjem pomagamo z molitvijo in z materialnimi sredstvi. Zato Cerkev na misijonsko nedeljo vabi verne, da bi z velikodušnim darom pomagali misijonarjem, da bo njihovo delo blagoslovljeno in uspešno. --- World Mission Sunday is an opportunity for us to honor our life as Catholics through the special call we received at baptism to be missionaries in bearing Christ's message of salvation to all people. Pope Francis in his world mission Sunday message for 2022, called for renewed efforts to spread the Gospel. The Holy Father wrote; "Dear brothers and sisters, I continue to dream of a completely missionary church and a new era of missionary activity among Christian communities". He emphasised that every member of the Church has a shared responsibility to witness to Christ.

Nedelja, 16. oktober: – Jezus nas uči z besedo in z zgledom, da nas molitev usmerja k Bogu in nam pomaga živeti bolj normalno in zadovoljno življenje.

Jezus nam v evangeliju tudi pove, da se vztrajna molitev splača in nagraduje. Po vztrajni in zaupni molitvi prejemo pomoč. Jezus pove, da se Bog poslužuje celo slabih ljudi, da se zgodi nekaj dobrega, ko nekdo vztrajno in zaupno moli in prosi. Sodnik, ki »se ne boji Boga in sene meni za ljudi«, pomaga ubogi vdovi, ker ga vztrajno prosi. Jezus jasno pove, da je osnova in

vzrok za Božjo pomoč vera, zaupanje in vztrajnost v prošnji.

Today we hear Jesus teaching the disciples about prayer. We need to pray always and to never lose heart. These two things go together. Perhaps they are even two sides of the same coin. The parable that Jesus chooses to emphasise his teaching is also unusual. The widow keeps coming back to the judge in her search for justice. She will never give up. She just keeps on asking for what she needs. In the end, the judge responds just to get rid of her. Obviously God does not want to get rid of us, nor does God tire listening to our prayers. This teaching on prayer is full of hope even in situations when God may delay the response to our petition... The parable offers hope to those among us who are perhaps reluctant to address God with our petitions. It is both an invitation and encouragement to pray without ceasing, confident of God's desire to respond.
