Evangelij: Jezusovo.

The prophet visualises the Messiah arriving in Jerusalem and being presented to the crowds as their king – a humble king, seated on a donkey.

Paul reminds the early Christians in Rome that God has filled them with the life-giving Spirit of Jesus.

Throughout Matthew’s Gospel Jesus teaches us that we show that we are true followers of his not so much by our words as by our deeds.

SLOVENSKI DAN – nedelja 16. julij: - Prihodnjo nedeljo bomo na cerkveni pristavi, farmi, obhajali tradicionalno srečanje. Začetek s sveto mašo ob 11 uri, po maši kosilo ter popoldansko prijateljsko druženje ob zvokih

slovenske glazbe. – Slovenski dan je praznik slovenske skupnosti v Montrealu, praznik naših korenin, naše narodne pripadnosti.

Plakat zgovorno vabi. – Prijavite se za kosilo, kupite listke za kosilo (župnijska pisarna: 514-254-8286; Josie Glaval:514-953-8745; Mary Jerebic: 514-699-6764), da bodo naše požrtvovalne kuharice lažje pripravile kosilo. – Pridite, povabite svoje prijatelje in znance, da bo srečanje lepše in prijetneje.

Nedelja, 9. julij: – Poletje je tudi čas za počitek, dopust, srečanja in prijateljevanja. Jezus je nekoč učencem rekel, naj gredo v samotem kraj. Tudi sam se je podal na samo – molil je, se pogovarjal z Očetom. Slavil je Boga Očeta.

Jezus vabi k sebi. Ne vabi zvezdnikov, prvakov in gmagovalcev. Jezus vabi utrujene, obtežene, danes bi rekli »luzarje«. Jezus vabi, da bi pomagal, osrečeval in napolnil naše življenje s smislom, veseljem, ljubeznijo in dobroto. – *Gospod Jezus, bodi z mano, vodi in podpraj me s svojo besedo in milostjo, da bom živel in delal, sodeloval s tvojo močjo in bo moje življenje in delo Bogu v čast in slavo, meni in bližnjim pa v korist, srečo in pravo veselje.*

Heart is a primal concept in the Bible, an archetype. It does not refer to the bodily organ but to the origin and kernel of everything else in the human person. In that sense it need not connote love or affection; indeed some people, when we know them profoundly, show a heart coloured by despair, anger, or hatred. As Jesus reveals himself through the Gospels, we discover that the basic attitude of his heart is one of unconditional love, not hatred or ambivalence. The first and last message of the Gospel is that God loves this world and every person in it. He sent his son Jesus not as a judge but as a shepherd, with a large and compassionate heart... It is easy to feel weighed down when I struggle on my own. I consider what it is like to carry my burdens with Jesus' help. He promises that his attitudes of humility and gentleness will make a difference... *Lord Jesus Christ, meek and humble of heart, you offer to those who follow you a yoke that is good to bear, a burden that is light. Accept, we beg you, our prayer and work of this day and grant us the rest we need that we may be ever more willing to serve you.*

ZAHVALA – V spomin na rajnega Ignaca Gjerek darovala za našo cerkev: Darinka Horvat: \$100.00. Bog povrni za dar in spomin!

Pope Francis: "Let us learn how to take a break, to turn off the mobile phone, to contemplate nature, to regenerate ourselves in dialogue with God." - "The dominant concept of life today has its centre of gravity not in activity and in commitment, but in evasion." - " Sunday is not the day for cancelling out the other days but for remembering them, blessing them, and making peace with life."
