

luč je večna Božja Beseda, ki razsvetljuje vsakega človeka. Razsvetljuje s svojo milostjo in naukom.

Mi smo po milosti postali člani božje družine. To milost je zaslužil Jezus s svojim trpljenjem in smrtjo na križu. Jezus želi, da bi bili priče njegove ljubezni, da bi luč, snjegovo sveto navtočnost med nami izpričevali z življenjem po veri.

Jezus naroča, naj bomo sol. Ne sol, kot jo poznamo v naravi. To je le podoba. Mi bi naj s svojim življenjem po veri vnašali duhovno kakovost v naše medčloveške odnose. Jezus želi, da z iskrenim življenjem po veri ne le pomagamo ohranjati, ampak krepite in množiti dobroto, usmiljenje in ljubezen.

There are Christians whose lives seem like Lent without Easter. I realize of course that joy is not expressed the same way at all times in life, especially at moments of great difficulty. Joy adapts and changes, but it always endures, even as a flicker of light born of our personal certainty that, when everything is said and done, we are infinitely loved. I understand the grief of people who have to endure great suffering, yet slowly but surely we all have to let the joy of faith slowly revive as a quiet yet firm trust, even amid the greatest distress: "My soul is bereft of peace; I have forgotten what happiness is... But this I call to mind, and therefore I have hope: the steadfast love of the Lord never ceases, his mercies never come to an end; they are new every morning. Great is your faithfulness... It is good that one should wait quietly for the salvation of the Lord" (*Lam 3:17, 21-23, 26*).
